Skills, experiences, talents you bring to the Homer CSD BOE:

The thing that makes me uniquely qualified is my 29 years of coaching experience. I have had to be an effective communicator. I am level headed and always willing to listen. I am willing to create partnerships that support a collaborative culture. I have experience with a variety of projects that include budgets and grant writing. I have three children that attend Homer. My children range in age from 8-15 and do many activities in the Homer Central School District. I am able to effectively multitask.

Business and/or Professional Background:

I have owned a business for 29 Years.

A Graduate of National Sports Academy.

Attended SUNY Canton.

Worked as the Executive Director for the Amherst Skating club.

I was the Skating Director at the JMM.

Currently coaching all around the USA with a home base in Homer.

I am a US Figure Skating Official. I serve on the both the Ethics and Test Committee for the governing body.

I held office for the International Coaches Guild.

Hobbies and/or Avocations:

Our 3 Boys and Business keep me busy most of the time. We show cows at Fairs in the summer. The boys are very active in sports for Homer Central and the community. They play travel hockey and lacrosse. We like to fish and enjoy our property. I love music and Broadway.

Anything else you wish to share about yourself:

Having a child in each of the three buildings give me a unique perspective. I am passionate about Public Education. I am heartfelt in my love of music and art. Our children are involved in music, as well as sports. I think community involvement is something I want my kids to know and engage in.
